LUCKY YARN TEX PVT LTD.

(Spinning and Weaving)

MOTHI SPINNERS PVT LTD.

(Spinning Division)

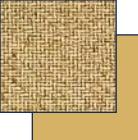

LUCKY WEAVESS PVT LTD

(Spinning, Weaving and Knitting Unit)

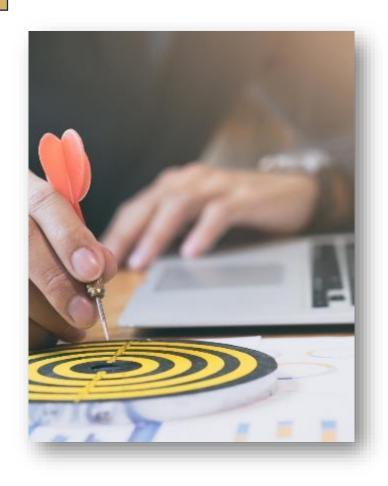

OUR STORY

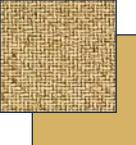

- Lucky Group has carved a stellar legacy of over 40 years in the textile industry, Primarily manufacturing fabrics since 1976.
- Aimed on Backward integration, established Spinning Mill – Mothi Spinners during 2000, currently with an installed capacity of 1.2 Lac Spindles and 74 dedicated vortex machines
- Benefitting from their rich spinning industry experience, Lucky Yarn Tex, the groups flagship company was established in the year 2008
- Currently Lucky Group is an integrated unit having 1.70 Lac spindles Ring spinning, 126 Vortex Machines, 350 Airjet Looms, 3 sizing units and 28 Knitting machines to cater to the ever growing textile market

OUR MISSION

- To be a pioneer in textile sector by investing in people and technology and by producing high quality sustainable products at low cost.
- To ensure the highest levels of customer satisfaction
- To be at peace with nature by creating and promoting the environmental awareness.
- To fulfill our social responsibility.
- Innovation and Value Creation in every level of value chain

OUR PRODUCTS

SPINNING

WEAVING

SPINNING DIVISION

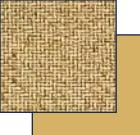

- Lucky group emphasizes on innovative technologies and quality to provide complete solutions for customers at reasonable cost. With the help of best-in-class tools the mill offers an exclusive range of premium quality yarns of wide varieties.
- Lucky group consistently manufactures the finest quality compact ring spun yarn and vortex yarn, thanks to an assemblage of fully automated spinning machinery incorporated with contemporary latest technologies producing high quality yarn consistently.
- Our product mix meets the ever-changing requirements of our customers. nine thousand tons of world class high quality yarns are manufactured and supplied to all our customers

WEAVING / KNITTING DIVISION

- Lucky group achieves excellence through a culture of innovation and continuous improvement. As an organization we believe in well-thought-out consistent growth and a holistic approach. We are committed to sustainability with initiatives directed at longterm positive impact through our sustainability framework "PRO – Proactively Responsible Organization"
- Lucky group is one of the largest vertically integrated textile manufacturer with multiple production facilities. It not only offers its clients unmatched agility and flexibility, but also consistency, reliability, traceability and sustainability due to the complete in-house control over each stage of production
- Lucky group has 350 Toyota Air Jet looms, 3 Karl Mayor Pro Sizing and 26 Pailung Knitting machines, delivering 9 Million meters of fabric per month and to our esteemed customers
